A LECTURE on KERR'S New DISCOVERIES.

Published in a paper at Great Bend Kansas, called "The Truth About God and Life," Kerr and his church of humanity says there is no real God of the universe, no Christ, no soul. And that life is ended forever with each person at death. That all gods, Saviours, Souls, Saints, Devils, Spirits, Angels, Heaven, and Hell, are all mythical having no real existence. Now dear readers you will have one of the most golden opportunities that mortal man ever had to know the truth about the idea presented, that there is no God. The cover will be pulled off Mr. Kerr by that same God which he denies to be. This challenge and lecture will commence the first issue in May, in the WORLD'S CRESSET. Who will send us in a dollar, in order to help expose those false discoveries of Kerr's. Help your neighbors to get the truth. Readers help yourselves and your neighbors to subscribe for the CRESSET, we shall not leave any stone unturned that will give light on the true God and his Christ and against all opposition—We trust that our subscription may run up into the ten's of thousands. So do not fail to get those lectures and you will then be ready to meet Kerr with all his opposition, or any other false theory. Rush in your dollars on subscription it will be one of the greatest exposures that has ever been presented to the human family, get ready for to receive it, send in your subscriptions by the last issue in April so that you may receive the first issue of the lecture in May.

What is the Matter with the State Manuel Report.

There was one of our Official State Manuels of the State of Missouri for 1915 and 1916 given out by Cornelious Roach Sect. of State. And we do not see among the list of all other papers of the State, the name of The WORLD'S CRESSET, published by N. G. Garrett and M. M. Bowers and Edited by Rev. L. S. Garrett. A paper that has been published almost continually for over 20 years at different places, we would love to know the reason.

1. Is it because the Ed. is poverty stricken?
2. Or is the little paper not worthy of note?
3. Or is it on the account of its belief in publishing the truth?
4. Or is it religious prejudice?
1. We know we are poor.
2. It is read by over two thousand all over the United States.
3. It believes in publishing the truth especially Bible facts.
4. We know the so called christian does not like its truths.
Now please some one answer us thru the CRESSET. Why it was that it was not mentioned?

Why Want War.

It is said by the authority of the money god's that they do not want war, but say we must prepare to kill our enemies if they come for us, or impose upon our citizenship. It is true that many times in the days gone by when the children of Israel, were surrounded by heathen nations who was without a Christ, and had no God or hope in this world who knew nothing but to kill and murder for worldly gain. But this is not the case now it is one nation called a christian nation fighting against another called christian nation. For this reason we believe in what James H. Maurer said. Please read.

KILL MILITARY TRAINING BEFORE IT STARTS! SAYS MAURER.

Comrade James H. Maurer, president of the Pennsylvania State Federation of Labor and member of the Legislature of that State while in New York last Saturday said: "Your capitalists want military training in the public schools. They start with the college and High School when they will get the military drill in the Grammar School too. The only proper thing to do is to kill this project and kill it so decisively that they won't have the nerve to bring it up again in any form whatever."

St. Louis Labor.

At Washington they see Things Getting Grave.

The administration are hoping that they will soon capture Villa And stop the war with Mexico. But yet they feel that things may grow serious. The demand is made of the President to give 50,000 volunteers by their substitutes resolution.

Verdun Attacked From The North.

Germans on the 27 of March continued a severe bombardment east of the Meuse river North of Verdun. Things are growing more serious every day in those God-forsaken countries where they love to butcher each other.

We Want Pro- tection.

And for that protection we shall lean on the strong arm of our God. For He said that He would be a wall of fire round and about us, And that to own, and deliver us, from all the power of the enemy, and this banner of peace will flow like a beautiful stream.

EACH MINUTE OF VILLA HUNT COSTS U. S. \$50.

It is costing the United States government \$50 a minute to hunt Villa, or \$72,000 a day. This estimate was made by Maj. William Elliott, quartermaster. Millions may be expended before the threat of Mexican banditry against the border states is completely wiped out. This expense includes the pay of the men, the cost of ammunition and food supplies, the wear and tear on equipment, and a host of miscellaneous charges.

HAILSTONES LIKE EGGS

Storm Sweeps - Path 3 Miles
Wide and 10 Long in Okla.

CHICKASMA, OK., MAR. 29.—

A terrific hail and rain storm swept a path three miles wide and ten miles long in the western part of this country Friday afternoon.

The hail stones were as large as eggs and covered the ground to a depth of several inches. The fruit and crops in the path of the storm were ruined.

Texas Sherif is Killed On Train

Wife of Prisoner Wanted in Beaumont Admits Shooting Officer.

MAKE DRAMATIC ESCAPE

Held Up Conductor, Take to Woods in Oklahoma: Captured by Posse.

MUSKOGEE OK, March 29—Paul V. Hadley and his young bride of Kansas City Mo. accused of killing Sheriff Jacob Giles of Beaumont, Tex. aboard a Missouri-Kansas & Texas passenger train early Friday morning, were captured late Friday a few miles from Checotah, when a posse surrounded a farm house in which the couple had taken refuge. Their capture brought to an end one of the most dramatic man hunts in the history of McIntosh county, a section long famous as a rendezvous of bandit gangs.

From the time of the shouting shortly after midnight until the hour that Hadley and his wife were taken, five heavily armed posses had scoured the wooded hills for the man and woman, who, hand in hand, had plodded over ploughed fields and unbroken prairie, at times seeking the protection of dense woodlands. The fugitives said after their capture they did not know whether they were in Oklahoma, Kansas or Texas.

QUESTION NO. 13.

Thayer Mo.
March 24, 1916.
1. If the Gentile man received Eve, in what way does he resemble this curse? Please read.

"And the Lord God said unto the serpent because thou hast done this thou art cursed above all cattle and above every beast of the field upon thy belly shalt thou go and dust shalt thou eat all the days of thy life."

Yours truly,

M. T. Burr.

Cavalry Tries To Bottle Up Villa Bandits.

Now Attempting To Close All
The Mountain Passes And
Trails Leading From
Their hiding places.

Despite the fact that Carranza troops boasted that Villa was hemmed in by a ring of steel and could not escape, the Mexican bandit succeeded in eluding his pursuers according to early reports March 25. Villa was reported to have abandoned to their fate at least 200 of his followers caught at El Oso, east of Namiquipa. The American troops now engaged in the pursuit of Villa are over 200 miles from the border. Owing to the censorship maintained and the difficulty of communicating with headquarters definite news of General Pershing's movements were hard to obtain last week.

There were many rumors of activities but many were denied later. Owing to the presence of many bands of Mexican marauders near the border General Funston has ordered a general strengthening of the border patrol General Bertani, commander of the Carranza field forces, is said to be co-operating fully with General Pershing.
